

VIGNOBLES MOURGUES

## HECLA Rosé 2021

### IGP Atlantique

#### Assemblage

100% Cabernet Franc

#### Vinification

2021 was a much cooler vintage than usual in Lot-et-Garonne, with less sunshine, which favored the balance between acidity and fruit in the white and rosé wines. For this cuvée, the grapes were selected from the best vines of the family Estate. The clusters are meticulously harvested by night to benefit from cooler temperatures, optimizing the quality of the juices. A delicate pneumatic pressing is completed as soon as the grapes arrive at the winery. It allows the extraction of maximum freshness and fruit aromas in the musts. The alcoholic fermentation takes place in temperature-controlled stainless-steel tanks to preserve the freshness and the fresh fruits aromas, typical of Cabernet Franc. The final blend results in a fresh and gentle rosé wine, with crisp acidity and concentrated fruit aromas.

#### Tasting notes

- Eye: pretty salmon pink color, with luminous reflections.
- Nose: floral profile, slightly minty with hints of violet, intense notes of rose petals and currant.
- Palate: fresh, crisp and elegant, aromas of small red fruits, enhanced by notes of sour candy and pears.

#### Food pairings

This fresh rosé wine will be a great accompaniment to pasta salads, paellas, tuna or salmon tartare, grilled vegetables and fruits tarts.

#### Alcohol content

12% by volume

#### Serving temperature

Serve chilled (8° - 10°C)

#### The heritage of Vignobles Mourgues: a family story.

The family Estate of Vignobles Mourgues is located in the Entre-Deux-Mers region, about 80 km east of Bordeaux. The current manager, Jérémy Mourgues, was only 25 when he joined the family business in 2005, after his studies. His grandparents and his parents passed on the family values to him: humility, hard work and perseverance. The property is HVE (High Environmental Value) certified, testifying to the Mourgues family's commitment to sustainable agriculture and to environmental preservation practices, to value the precious land of their ancestors. The Estate extends over 395 hectares: 315 hectares in AOP Bordeaux and 80 hectares in IGP Atlantique. The HECLA range is a series of single-varietal wines, and the brand HECLA was named after the two Jérémy's young daughters, HEloise and CLArisse, who inspired the creation of this non-conformist range of terroir wines. In 2019, Jérémy acquired and modernized a neighboring winery to produce his own bottles of wine, using the best grapes selected from his vineyards. With his consultant-oenologist Florent, they enjoy making wines for gastronomy and sharing, fruity and generous, that reflect the magnificent terroir on which the grapes are grown. They can also count on the valuable advices from the experts of Hubert de Bouard Consulting.
